

Benevolent Bites

LaserMonks will proudly introduce our new flavor, Sweet Potato Cinnamon, in September.

Inspired by our Golden Retriever, Bailey, who loves Sweet Potato, this new flavor is sure to be a hit with your favorite canine.

We are blessed to add to our charitable endeavors, Storybook Farm, who provides year-round equine based therapeutic programs serving children ages 2 to 25 years, who are challenged with life-threatening illness, disabilities, and grief. The gentle nature of our horses provides hope and healing.

Thanks to Br David, our resident audio-visual monk, and Br Stephen, our monk-of-all-trades, we will soon have a fun video posted on our website of the monks baking biscuits.

Please check back with us in the month of August!
